Artisan Manchego Curado, La Mancha

A delicious, artisan-made Manchego made using un-pasteurised Ewe's milk & cured for 8 months. It has a crumbly texture & superb, rich, tangy flavour. Drink with a full bodied Rioja.

Valdeon 'Picos' Blue, Castilla y Leon

This is a famous blue cheese matured in the Valdeon valley in the beautiful Picos de Europa mountains. Made throughout the seasons using a mixture of cow & goat milk, it's unique features stem from artisan production, including long & traditional maturation in cold, damp mountain caves.

Drunken Goats, Murcia

A white, medium-textured goats milk cheese, made using the pasteurised milk of the Murciana Goat. The natural rind is dipped twice during the ripening process in red wine, so that the cheese absorbs the fruity, slightly spicy flavour. Best accompanied by a glass of red to complement the winery flavour!

Mahon, Menorca

Mahon is a pasteurised cow's milk cheese. The rind is washed in oil & paprika, giving an orange colour & an aroma of peaches.

Tetilla, Galicia

Pasteurised cow's milk is used to make this soft, buttery cheese with a pale yellow rind & distinctive cone shape. Tetilla is one of the most famous cheeses in Spain. It originates from the beautiful, rainy region of Galicia.

(Our cheeseboards are served with homemade preserves, honey & crackers)
